Letter from the Collector of Bellary, Ref.C.No.244/40 dated 12th February 1940.

Establishment - Temporary - Bellary taluk - additional clerks entertainment - sanction.

In G.O.No.Ms.No.2954 dated 7-11-39 the Government sanctioned the employment of a temporary lower division clerk for a period of two months from the date of appointment for Loans work in the Taluk Office, Bellary. The clerk was entertained on 13-12-39 and the sanctioned period expires by 12-2-40

2. The Tahsildar of Bellary reports that there are 2559 outstanding loans cases in the taluk of which collections have been made in full in 1907 cases and collections have yet to be made in the remaining 652 cases. He further reports that the collections so far made and the suspension orders passed in faslies 1346, 1347 and during the year have yet to be posted in the Taluk ledgers, which have to be brought up to date by supplying omissions made during the previous years. Besides, the hypothecated lands have changed hands and the ledgers have to be brought up to date by entering the loan cases from the registers of the villages where the persons are residing to the register of villages to which the hypothecated survey numbers relate. This necessitates the comparison of the Taluk ledgers with the Huzur ledgers which involves much scriptory work. The Tahsildar reports that it is not possible to get through the voluminous work without additional staff which is absolutely necessary to cope with the work without delay. The Revenue Divisional Officer, Bellary supports the Tahsildar's proposal and recommends the entertainment of two clerks for a period of three months each. I agree with the Revenue Divisional Officer Bellary and consider that the entertainment of additional staff is necessary. I, therefore, request that the Board may be pleased to sanction the entertainment of two lower division clerks on Rs. 30-55 for a period of three months each. I have,

however, issued orders for the retention of the clerk now working in anticipation of Board's sanction and request that my action may be approved. One other clerk will be ~~xxxxx~~ entertained after sanction is accorded by the Board.

The Collector is requested to report in case the additional clerk is indispensable, the number of cases in which suspension orders have to be entered and the number in which the entries in the ledgers have to be corrected and also to state the circumstances under which the items of work fell into arrear. It should also be stated whether the additional staff applied for can bring the work up to date in three months.

Asst.Secretary.

Ref: Board's Ref.No.1499/40

The collection of loans instalments was ordered for the first time in Fasli 1348 after successive postponement on account of adverse seasonal conditions for the last 17 years. During fasli 1348 also, postponement was ordered in a few cases under Rule XXV of the Madras Takkavi Manual. As the collection of loans instalments was postponed successively, there was no necessity to verify the entries in the ledgers prepared afresh. It is now discovered that many clerical errors, which have crept in due to the rush of work, have to be rectified and the ledgers corrected with reference to the loan records. Besides this, with the lapse of time many changes have occurred in the personnel of the borrowers, their residences, etc., on

account of sales, court attachments etc., The volume and the nature of the work to be done is fully and clearly explained in the Tansildar's report, a copy of which is not enclosed together with a copy of the Revenue Divisional Officer's report.

nature will be brought to light later which, if not verified and corrected now, may lead to further confusion and complication. I consider it advisable to have these defects rectified once and for all to avoid confusion in the future. The Revenue Divisional Officer considers that the work is likely to engage two clerks for a further period of 4 months. I agree with him. I therefore recommend the continuance of the one existing clerk for 4 months from 13-5-1940 and the entertainment of an additional clerk for 4 months from the date of appointment If, however, the work is completed earlier, the staff will be disbanded before the expiry of the sanctioned period. I request that the Board may be pleased to obtain the sanction of Government for the entertainment of the above special staff urgently. The period of the clerk already entertained in anticipation of the Board's sanction in this office Ref.C. 244/40-A1 dated 12-2-1 expires on 12-5-1940, and if no orders are received by that date, he will be disbanded.

Advances - Loans - Bellary taluk - Additional clerks' employment - report - submitted.

Ref.Collector's R.C.No.244/40 A1 dated 16-3-40.

The appointment of an additional clerk is indispensable There are altogether 8164 outstanding loan cases in all for this taluk which is nearly half the number of the whole district (17000) As per scale laid down at page 98 of the Loans Manual one additional clerk is sanctioned when the outstanding loan cases exceed 500. No maximum limit, is fixed for appointing more than one additional clerk. As per existing rules one additional clerk is given whenever in a Taluk, the Number of cases exceed 500. No distinction is made when the number of cases far exceed over and above 500. For instance in a Taluk where there are 510 cases, one additional clerk is given as per rules while the same one clerk is sanctioned for a Taluk like Bellary where there are 8164 cases, which is 16 times greater than that of the former. This inequity in the scale of sanction has thrown a voluminous work on a clerk who has other branches of work like Town House sites and other miscellaneous branches. In the previous year when there was no collection work the Collector was not moved for the appointment of an additional clerk perhaps on the ground that there was no provision in the Loans Manual for the entertainment of a clerk. In F. 1346 and 1347, suspension orders have not been noted down even though there was no collection work and I regret to express that the loans branch was neglected during the time of the previous Tahsildars.

while 5605 cases have been suspended. The suspension orders have to be entered for these cases also. The number of cases in which the discrepancies have to be reconciled, is 616 cases.

The Takkavi loans were disbursed on a large scale in F.1330 1333 and 1336 in a great hurry and a number of mistakes have been committed. Added to this, Taluk ledgers were written by Special Establishment in Treasury Deputy Collector's office in the year 1934 and some mistakes were committed by the special staff which have to be rectified. As there had been no collection till now, these mistakes did not come to light. A few classes of mistakes committed and which have to be rectified are enumerated below:-

1.	2.	3.
L.I.L.107/33	Badanahatti	Aladahalli..
Ag.L.2796/33	Kallukambham	Orvoi.

Ag.L. 488/31	,,	Gutiganur
L.I.L. 145/31.	K. Veerapuram.	Sidiginamola.
512/33		do.

2. In some cases the S.Nos.hypothicated are wrongly not in the village leders and these have to be corrected. For example in Bellary in Agl.100/33, S.No.321 mortgaged is a mistake for S.No.333. So also in Yerangaligi in Ag.L.892/31, S.No.202 is a mistake for S.No.205 A B C D E. In Kakkabevinahalli in L.I.L. 278/31 S.No. 471 is noted down in the village ledger for S.No.8,9 and 10.

3. In faslis 1330, 1331, 1333, 1336 and 1337 loans were granted by different officers such as Special Loans Tahsildars, Taluk Tahsildars, Revenue Divisional Officer, Special Revenue Divisional Officer and Collector The same set of serial numbers were adopted by each officer for the loans granted by him., As some of these loan orders have not been distinguished by adding distinguishing letters before the number of loan order it was found difficult during collection work to identify the correct number and the correct borrower. For example in Bylur i L.I.L 1/37, a loan of Rs.160/- was granted by the Collector while the same Loan order number i.e. L.I.L.1/37 is assigned for the loan of Rs. 650/- granted in Genikihal village by the Special Deputy Collector

L.I.L.1418/36	Ibharampu	Ibharampuram (Siruguppa tk.)

,, 2096/33	do.	do.
,, 182/36	do.	do.
,, 202/36	do.	do.
L.I.L. 943/33	do.	do.

5. Closed cases are still kept pending both in Taluk and village ledgers. These have to be rectified by comparison with Huzur ledgers and by correspondence. Example: L.I.L. 174/30 of Orvoy village and L.I.L. 12/42 are closed cases. They are still kept pending in taluk and village ledgers.

6. In some cases, the loan files are found to be missing and correspondence has to be started with other taluks such as Siruguppa, Alur and Rayadrug to trace the files.

Ex:- Files of L.I.L. 891/33 and A.G.L. 263/36 are not forthcoming in the records kept in strong room.

There are 8164 loan cases pending as per our ledgers. The loan files, relating to these cases have been lodged in tinned almirahs in the strong room but no register is kept showing all the records available and those missing. Nearly 13 lakhs have been disbursed under takkavi loans in this taluk and if the registers and loan files are not kept up to date it is not possible to fix the responsibility upon any person for the loss of the records.

verification have to be listed out, and the Treasury Deputy Collector furnished with a copy for correcting his ledgers.

Besides, the above items of work, there are 68 incomplete loan works of faslis 1347 and 1348 still pending, as the borrowers have not yet completely executed the works, In all these cases extension of time has to be granted, or summary recovery orders have to be passed which involve much scriptory work.

I have mentioned these few important cases, to show what amount of work remains to ~~dx~~ be done. The items enumerated above are of an urgent and laborious nature and I am afraid that even if two clerks, sit together, and attend to these things, they may not be able to finish them within two months. I recommend that at least two clerks(including the one additional clerk who is working at present whose term expires by 13.5.40)may be sanctioned for a period of four months to attend to these urgent items of work, besides the other miscellaneous work connected therewith. If the work involved cannot be finished within that period, I shall apply for further ~~RXRRRX~~ extension of time.

Copy submitted to Collector Bellary for information.

Advances - Loans - Bellary taluk - Additional clerks employment - Report - Submitted.

M 7-11 above

I enclose herewith the report of the Tahsildar, Bellary, referred to above. The report is exhaustive and self explanatory and I have nothing more to add. It cannot be ~~xxfxxxx~~ said whether even this two additional clerks now recommended in addition to the one already working will be able to complete the work within a period of two months. As ~~xxx~~ suggested by the Tahsildar, the appointment of the two temporary clerks may be

recommended for a period of at least four months. The services of these temporary clerks will be terminated earlier if the work were to be completed.

2/. In G.O. No. 2934 Rev dated 7/11/39 sanction was accorded for the employment of a temporary lower division clerk for a period of 2 months from the date of appointment for loans work in the Taluk Office, Bellary. The clerk

the Collector issued orders for the retention of the clerk sanctioned in G.O. No. 2934 Rev dated 1/11/1939. The Board of Revenue in its reference dated 12/3/40 at pages 4-5 C.F. called for certain particulars in the matter

3/ In his letter dated 5/5/1940 at pages 5-6 C.F. the Collector changed his original request and requested (sanction for) the continuance, for 4 months from 13/5/40 of the lower division clerk whose employment was sanctioned in G.O. No. 2734 Rev dated 7/11/39 and whose retention (till 12/5/40) was ordered by the Collector in anticipation of sanction. He also requested sanction for the entertainment of another clerk for 4 months from the date of appointment. In that connection, the Collector stated that the period of the clerk across entertainment of sanction would expire on 12/5/40, and that if no orders were received by that date he would be disbanded. The Collector's letter to the Board is dated 5/6/40 and the Board's reference to Govt is dated 20/5/40. Presumably the clerk would have been disbanded on 12/5/40.
